

The Elonex Clear Idea Box

A versatile and easy-to-transport showcase

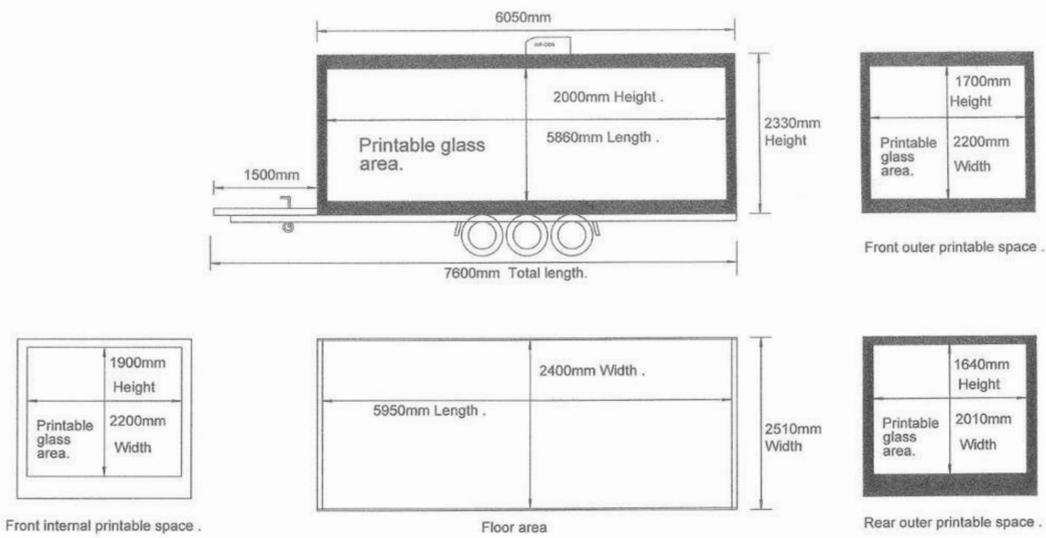

The Elonex Clear Idea Box has 4 transparent sides to create a stunning impression. It can also be fitted with a skirt to conceal the chassis.

This versatile showcase looks amazing, is easy to transport by 4x4, and quick to set up. The unit can be operational in 15 minutes whilst retaining the look and feel of a stand alone structure.

- 6m long x 2.5m wide
- Gull wing option
- Transported by 4x4
- Air conditioning
- Lighting
- Operational in 15 minutes

- Generator / mains power hook up
- Attachable steps and handrails
- Optional internal rear door for temperature control
- Demountable body allowing exhibition space to be dropped onto the floor

Don't settle for ordinary.

The Clear Idea Box is available for hire or purchase.
