

The Elonex Car Showcase & VIP Entertainment

This unique vehicle is a perfect display showcase for a vehicle whilst also acting as a great entertainment platform with its roof-top terrace and capacity for up to 60 guests.

This stunning LED vehicle is one-of-a-kind, featuring intergrated HD screens, an onboard generator, and hydraulic safety rails. The LED screens can be removed and decking can be attached to the sides, to create the perfect VIP Hospitality space.

- On-board 20 KVA generator
- Power points
- Premium flooring
- Intergrated HD LED screens
- Hydraulic handrails & retractable staircase
- Gull-wing viewing windows x2
- Attachable viewing platform with steps & handrails

Don't settle for ordinary.
